Music is an essential part of life. If you have ever shared a special song with a significant other; if your heart has swelled with pride at the first strains of The Star Spangled Banner or America the Beautiful; if you have ever watched a child gain confidence and blossom through their involvement with a choir, band or orchestra, you know exactly what I mean. And yet many schools have discontinued music programs as their budgets are squeezed smaller and smaller.

The Centennial High School Marching Hawks and Golden Pageantry Corps receive virtually no funding from the Kern High School District. Uniforms, instruments, transportation, competition fees-all must be paid by the band and color guard. This is where you come in.

Music in Motion, scheduled for November 3, 2018, is sponsored by the Centennial High School band and color guard. This competition attracts over 30 high schools from all over southern and central California, and is the primary fundraiser for the Marching Hawks and Pageantry Corps. This year we are raffling off a variety of prizes and gift baskets, and we need your help.

Please consider making a donation of a gift card or other items to include in our raffle to help us raise funds to encourage these students and help them to have a successful year in band and color guard. Your generosity will make a huge difference.

I know you receive hundreds of requests, and I thank you for considering this one-you can make a difference!

If you have any questions or need additional information, please do not hesitate to contact me at (661)342-7571.

Sincerely,

Sandi Thorsen
