The Marching Hawks and Golden Pageantry Corps are gearing up for our 2018-19 competition season. Our most important event of the season is our very own Music in Motion scheduled for November 3, 2018. We host one of the city's largest field competitions and expect to have over 30 schools attending this event. This means thousands of people will be in the audience throughout the day. Members of the community and local businesses can support our talented members by contributing as an Ad or trophy sponsor. The proceeds will go directly to supporting the Centennial High School Marching Hawks and Golden Pageantry Corps as we represent the greater Bakersfield area at competitions throughout California. All sponsorships are tax deductible. You will receive a thank you letter with our tax id number and our appreciation to use for your tax purposes.

Program Ads can be purchased in four different options as priced below. These programs are purchased by spectators and provide a wide audience at a very reasonable cost. Please mark selection below.

Trophies are a significant portion of the costs involved in hosting our show. We award trophies in three areas; band, auxiliary and percussion in several different division. Last year we awarded more than 80 trophies. The trophies range from \$40 to \$120 and cost over \$4000. When you select your sponsorship level you will be recognized in the band program, as well as, being acknowledged at the awards ceremony. Sponsorships can also be dedicated in memory or in honor of an individual or group.
