Dear Community Partner,

We are writing to ask for your support of the Centennial High School Marching Hawks and Golden Pageantry Corps. This band and color guard program provides a wonderful life experience to high school students and teaches the students much more than just music. However, funding these programs can be a challenge each year. For this reason, we are asking that you, as a Community Partner, consider becoming a Talons sponsor.

The Talons Group is a recognized California 501(c)(3) non-profit organization consisting of parents of band and color guard students. Parents of current students in the program comprise the governing board, and elections are held annually. This group is the governing body for fundraising and financial oversight to compete locally and statewide.

However, with all the time and support received from the parents, it is still not enough to keep the drums pounding, horns blowing, and flags turning. We need the support of our neighbors and local businesses to ensure the success of the Marching Hawks and Golden Pageantry Corps. Any donations made to the Talons are tax-deductible (Tax Id is at the top of the page).

We believe in recognizing our sponsors when partnering with local businesses. We offer many different advertising methods for our sponsors, including "Branding the Trailer" with your company name and logo. Our trailer is used for travel all over the state as the band and color guard compete throughout the year. With a Donation of \$500 or more, your company name and logo can be displayed on the trailer!

We look forward to partnering with you!

Sincerely,

**The Talons Board**
